

**MOOG**

## **3 Reasons to choose Moog for your Wafer Handling Solutions.**

### **1. Get Higher ROI**

- Transform a single purpose tool into a hybrid, multi-size wafer processing tool with the Moog Vacuum Tool Wafer Handling Upgrade Kit

### **2. Minimize tool downtime**

- Eliminate robot teaching and reduce robot setup time with Moog Autocalibration<sup>®</sup> technology

### **3. Increase throughput**

- Wafer centering in minutes without operator error using Moog Dynamic Wafer Calibration<sup>™</sup>
